LACC OFFICE OF SPECIAL SERVICES

ABOUT

Office of Special Services (OSS) facilitates equal access for LACC students with disabilities to participate in educational programs, services, and campus activities through appropriate and reasonable academic adjustments. Academic adjustments and auxiliary aids and services are determined on a case-by-case basis by an OSS professional in conjunction with student dialogue, professional documentation, identified educational limitations, and the degree or extent of functional limitation associated with the student's disability. The program also offers academic accommodations for students with disabling conditions based on functional limitations.

SERVICES PROVIDED

- Assistive Technology
- Assistive/Adaptive Technology Training

HIGHLIGHTS

- OSS students will increase effective utilization of assistive technology in their courses.
- OSS students will demonstrate the ability to self-advocate, with the campus at large, for their individually identified academic adjustments and accommodations.
- Students will work with OSS Counselors and Specialists to develop, maintain, and follow a Student Educational Plan and Academic Accommodation Plan to complete their educational and career goals.

FACILITIES

High Technology Center to provide accessibility to alternative media and specialized software.
