2. Have completed English 28 or 101 and Mathematics 115 or equivalent courses.

Pre/Co-Requisites, Advisories & Challenges

NOTE: PREREQUISITES MAY BE ELECTRONICALLY ENFORCED

The following explains the conditions of enrollment that qualify a student for a class or course of study according to laws and state regulations AB 3 and Title 5.

PREREQUISITE is the requirement needed to qualify for a course. It is designed to identify skills necessary for success in a course.

CO-REQUISITE is the requirement for taking a simultaneous course in order to enroll in a particular class.

ADVISORY is advice given before enrolling. It is not required that a student follow this advice.

A **satisfactory grade** is an academic record with the symbol A, B, C, or "P."

Challenge Policy/Procedure

A student may challenge the above enrollment policies by filing a Prerequisite or Co-requisite Challenge Petition. You can obtain the form from the Admissions Office (AD 100), the Student Assistance Center (AD 105), of the Counseling Office (AD 108). Documented proof of your challenge will be required. The Petition must be filed with the Department Chair of the department over the class that is being challenged. If the College does not resolve your challenge within the five-day period, you will automatically be enrolled in the class. If no space is available in the class, the challenge shall be resolved before the beginning of registration for the next term. If your challenge is upheld and space is available, you may enroll in the next term.

Grounds for Challenges

It is your responsibility to show proof with documentation that you have grounds for a legitimate challenge. You may challenge any of the prerequisites or co-requisites using any of the Title 5 regulations listed below:

NOTE: If you have successfully completed a similar course outside of the Los Angeles Community College District, bring your official or unofficial transcripts or grade cards to the Counseling Office - AD 108 for evaluation.

1. The prerequisite/co-requisite does not follow the rules established by the District.
2. The prerequisite/co-requisite is in violation of Pre/Co-requisite and Advisory Regulation, specified in Section 55201(e) of Title V. (See Office of the Vice President of Student Services - AD207)
3. The prerequisite/co-requisite is unlawfully discriminatory or being applied in an unlawfully discriminatory manner. Once you have completed the Prerequisite or Co-requisite Challenge petition process on the grounds of unlawful discrimination, you have the right to file a formal complaint of unlawful discrimination with the Dean of Equity and Diversity (CH109).
4. You have the ability and knowledge to succeed in a course without the pre/co-requisite.
5. You will be subject to undue delay in obtaining your educational goal because the prerequisite/co-requisite course was not reasonably available.
6. You have not been allowed to enroll due to a limitation set for a course that involves intercollegiate competition, public performance, honor courses, or blocks of courses limited to a particular group of students. You will be allowed to enroll in such a course if there is no equivalent section offered, and you would be delayed a semester or more in obtaining your degree or certificate specified in your Student Educational Plan.
7. You want to enroll in a course which has prerequisite/co-requisite established to protect health and safety, and you can demonstrate that you do not pose a threat to yourself or others.

Resolution of Prerequisite Challenges

Each prerequisite challenge shall be investigated and resolved through the appropriate department chair no later than five (5) working days from the day that your challenge is filed.

Pre/Co-requisite Challenge Petition Filing Dates

Students may file challenges throughout the Fall and Summer semesters up to five (5) working days before the end of each semester. Some departments may accept petitions during summer session and winter intersessions, based on faculty availability.

How To Plan Your Schedule

A planning worksheet has been provided for you below. The state education code stipulates that each hour of a community college class shall require at least two hours of study outside of class. The maximum study load is 18 units during a regular semester, 12 units during a Summer Session and 7 units during a Winter Intersession. The normal class load for full-time students in the Winter or Fall semester is from 12 to 18 units per semester. Those students who will be employed while attending Los Angeles City College should reduce their programs accordingly. Students who are employed full-time should enroll in no more than 1 or 2 classes or a maximum of 9 units. The table to the right provides the suggested maximum class load for students who are also working.

Financial Aid Information

You may apply for financial aid to assist with: Enrollment Fees • Books • Living Expenses (Rent, etc.)

PLAN AHEAD & COMPLETE THE FAFSA

It takes a little time to complete the Free Application for Federal Student Aid (FAFSA). Once your form has been submitted, it will take several weeks to process. And, it will take several additional weeks before your first financial aid check arrives.

- Financial aid is available to students who can demonstrate financial need.
- Non-California residents may also qualify for financial aid.
- Non-residents who don't qualify for a fee waiver, may be eligible for financial aid.

PAY ATTENTION TO DEADLINES

Fall SEMESTER: To increase the likelihood that your financial aid check will arrive at the beginning of the FALL semester, submit your application in the Fall (usually by March 2).

FALL SEMESTER: To increase the likelihood that your financial aid check will arrive at the beginning of the Fall semester, submit your application at least three months prior to the start of the semester (usually mid-November). (You may apply for aid through the end of each semester. However, the later you apply, the later you will receive your financial aid funds.)

ENROLLMENT FEE WAIVERS

If you are a low-income resident of California, you may qualify for a Board of Governors Enrollment Fee Waiver which covers your enrollment fee. It DOES NOT cover books and living expenses. It is recommended that you complete the FAFSA to apply for a fee waiver.

NOTE: When you submit the FAFSA form, you are automatically considered for the fee waiver. If you need the fee waiver immediately, however, you may use a separate Board of Governors Fee Waiver form. Forms are available in the Financial Aid Office, Clausen Hall 111A. Usted puede solicitar ayuda financiera para lo siguiente: Matrícula • Libros • Gastos (Alquiler de Casa, etc.)

PLANEE A TIEMPO & COMPLETE LA SOLICITUD DE FAFSA

Toma poco tiempo en completar la aplicación FAFSA. Si necesita ayuda para esto puede ir a FASTLAB en la MLK Library por asistencia. Después de haber completado la forma, el proceso tomará varias semanas y también tomará unas cuantas semanas para que usted reciba el primer cheque.

- La ayuda financiera está disponible para los estudiantes que pueden demostrar que la necesitan.
- Las personas que no son residentes de California tal vez puedan calificar para la ayuda financiera.
- Si usted no califica para una matrícula con excepción financiera (fee waiver), por no ser Residente de California, usted podría ser elegible para ayuda financiera.

POR FAVOR PONGA ATENCIÓN A LAS FECHAS LÍMITES

EN EL SEMESTRE DEL OTOÑO: Para asegurarse que el cheque de ayuda financiera llegue al principio del semestre del otoño, someta la solicitud en el semestre de la primavera (usualmente el 2 de marzo).

EN EL SEMESTRE DE LA PRIMAVERA: Para asegurarse que el cheque de ayuda financiera llegue al principio del semestre de la primavera someta la solicitud por lo menos tres meses antes del comienzo del semestre (usualmente a mediados de noviembre). (Puede solicitar ayuda hasta el final de cada semestre. Sin embargo, si usted solicita tarde, usted recibirá su ayuda tarde.)

LA MATRÍCULA CON EXCEPCIÓN FINANCIERA (FEE WAIVER)

Si usted es un residente de California con ingresos bajos, usted puede calificar para la matrícula con excepción financiera, la cual cubre la matrícula. Esta no cubre libros y mantenimiento (gastos).

Para esto usted necesita llenar la solicitud de FAFSA para saber si usted puede calificar en estas áreas. Comenzando el otoño 2006, el honorario de la salud no será cubierto por la matrícula con excepción financiera (fee waiver). Será la responsabilidad del estudiante pagarlo.

NOTA: Cuando usted someta la solicitud de FAFSA automáticamente es considerado para la matrícula con excepción financiera. Si usted necesita la matrícula con excepción financiera inmediatamente tendrá que llenar la solicitud respectiva. Estas formas están disponibles en la oficina de ayuda financiera, Clausen Hall 111A

5 STEPS TO REMEMBER

STEP 1

Complete and submit the FAFSA form.

Form available on-line (www.fafsa.ed.gov) or in the Financial Aid Office, Clausen Hall 111A.

STEP 2

Several weeks later, you will receive a Student Aid Report (SAR) acknowledgment in the mail. Bring it to the Financial Aid Office to open a financial aid file and discuss any problems with your application.

STEP 3

The Financial Aid Office will review your application and automatically processes a fee waiver for students who meet the criteria.

STEP 4

The Financial Aid Office will then send you an Award Notification Letter which states how much aid you will receive.

STEP 5

Financial aid checks are either sent by mail or transferred electronically to the student's bank account during the school year.

Typically your first award check will arrive two weeks after you receive the Award Notification, BUT IT CAN TAKE LONGER.

The Weekend College

A Program of Los Angeles Community College District

ITV The Weekend College classes allow students to complete general education classes in a focused eight-week format. Classes are taught on four campuses: **City [C]** and **Southwest [SW]** Colleges on Saturdays and **Valley [V]** and **Pierce [P]** Colleges on Sundays. First college listed is **AM only 9:00 - 12:00 Noon**. Second college listed is **PM only 1:30 - 4:30 PM**. Students may attend at any location or change locations, if necessary, throughout the semester.

The classes are taught by the same qualified LACCD instructor at each campus. Instruction is combined with award-winning video lessons available on cable television, in broadband, on DVD, and in the College Learning Resource Centers. Each class also has an online component creating a positive, engaging learning environment.

For classroom locations go to:

www.lamission.edu/itv and click View Schedule. Financial aid is available for qualified students; fee waivers apply to these classes. Transcripts are issued by LA Mission College.

Supplemental Instruction (SI)

Supplemental Instruction (SI) is a form of peer tutoring and mentoring offered to students enrolled in historically difficult courses. It is an academic assistance program that increases student performance and retention. It has proven effective in helping students earn higher final course grades than students not participating in the program.

An **SI** mentor (a student selected by the instructor who has previously taken the course and demonstrated proficiency in the subject matter) provides students with supplemental information on lectures, tests and assignments. Mentors attend every class session and conduct three to five , fifty minute study groups each week at times convenient to the majority of students to review lecture material. Sessions normally occur in or near the course classroom instead of in a learning center. Sessions are attended on a voluntary basis and students are not segregated based on academic ability. Since **SI** is introduced on the first day of classes and is open to all students in the class, its in no way viewed as remedial. Mentors may also be reached via telephone or e-mail and provide students with supplemental information.

To the right, is a list of Spring 2010 classes with **Supplemental Instruction**. So, take advantage of **SI** sections by enrolling early! These sections are identified in the schedule of classes by a note stating “ Special tutorial assistance available in section”.

THEATRE ACADEMY CLASSES

THEATRE ACADEMY CLASSES

The Los Angeles Theatre Academy at Los Angeles City College has firmly established itself as one of the most accomplished and highly respected professional theatre training institutions in the United States.

Since being established in 1929, the Academy has been dedicated to developing the skills, crafts and attitudes of students to prepare them for careers in the professional theatre.

PROFESSIONAL TRAINING FOR THE ACTOR

The training that the Los Angeles Theatre Academy students receive is stimulating, broadening, exacting and intense. A limited number of openings are available each fall and spring semester to those acting students who are highly motivated, aggressive, exceptionally talented, and responsible. An acting student admitted into the Academy is signifying complete dedication to study, work and performance so that the standard of excellence of the Theatre Academy is continually maintained.

Acceptance into the competitive, highly selective acting program is by audition and interview only. Specific information concerning entrance requirements is available in the Theatre Production Office (Theatre Building - Room 208). Please note that any actor interested in pursuing training at the Los Angeles Theatre Academy must exhibit competence in spoken English. Those actors with pronounced dialects and regional accents who are accepted into the Academy will be required to spend extra time over the course of their training in the Speech Lab so that lack of understanding or articulation does not become a hindrance. Training at the Academy requires enrollment in the Fall Semester, Winter Intersession, and Spring Semester.
