December 9, 2013

Los Angeles City College
 PSYCHOLOGY DEPT (HUMAN SERVICES)
 Rochelle Schooler, Ph.D.
 Chemistry Bldg., Room 111
 855 N. Vermont Ave
 Los Angeles, CA 90029

Dear Doctor Schooler:

This is to inform and congratulate you for meeting the re-accreditation standards of the California Association for Alcohol/Drug Educators (CAADE). As of December 9, 2013 CAADE certifies that your college is in good standing as a "fully accredited provider of Addiction Studies and meets all standards thereof."

This is a major accomplishment which represents many dedicated hours of work on behalf of your staff, faculty and students. Through the accreditation process your Addiction Studies program represents the latest advances in the field of addiction counseling grounded in evidence based practice. CAADE is currently one of five addiction counselor certifying organizations in California. Most importantly, it is the only organization in the state that requires its Certified Addictions Treatment Counselors to obtain, at a minimum, certificates offered by CAADE accredited community college or university programs such as yours. Our accreditation guidelines are rigorous, and having met them your university's ongoing accreditation by CAADE distinguishes your students as among the most highly trained in the state.

CAADE extends congratulations to you and other support staff and faculty. We look forward to continuing to honor and support your distinguished educational institution.

Sincerely,

Lori Phelps, Psy.D., CATC V
 Executive Director

Greg Granderson, Ph.D., CCS
 President, Accreditation Chair
