Enrollment Requirement: Enrollment Requirement: Cinema 1, 2, 3 and 4 OR Cinema 18

In this introduction to the art and craft of editing, the student gains storytelling and digital editing skills using the latest nonlinear editing software. The student receives hands-on experience editing various projects and exercises with footage provided to them in class, and applies techniques to learn matching action, screen direction, timing, shot connotation, character, emotion, pacing and rhythm. Student will also edit their own footage and learn how to practically apply various theoretical concepts of editing to create a compelling story. Projects will be reviewed and analyzed in class and the student will gain an understanding and appreciation of

This is a WEB course that meets on campus for orientation and exams only. All meetings take place on Saturdays. Detailed information regarding the course will be emailed to all registered students a few weeks in advance. You must have Internet access and a valid email address.

MATH 167- Pre-Statistics (NDA) - 5 Units

Students learn key concepts of descriptive statistics such as observational and experimental design, graphical and tabular displays of data, measures of center and spread, probability, the normal distribution, and regression. This course is designed as a prerequisite solely for Statistics(Math 227). Students will not get math competency credit for taking this course towards an AA/AS degree. If students wish to proceed to another course other than Math 227, they would need to go back and take Math 125.
