

Foster & Kinship Care Education Program

Fall/Winter Schedule – August 2017 to January 2018

August, 2017

Dear Resource Parent,

As you know, our mission is to provide quality education and support opportunities for caregivers of children and youth in out-of-home care so that these caregivers may meet the educational, emotional, behavioral and developmental needs of their children.

This year, we have a lot of changes in the state, as the Continuum Care Reform [CCR] is now being implemented state-wide; and DCFS in Los Angeles County has implemented the Resource Family Approval Program. We are hoping that the classes that you find in this schedule will enhance your skills as a prospective or current Resource (foster/adoptive/kinship) Parent. Our classes are open to any prospective or current resource parent, professionals working with children and youth, and the community in general.

If you are interested in attending any of our Pre-Service Certification Classes: D, F, or W Rate initial training, please call us to register.

At LACC we also offer the Resource Family Approval Program Training to become a Resource Parent in LA County. If you are interested in becoming a resource parent with the county, please call **1-888-811-1121** to register for an orientation, and be able to register for the RFA Program Training.

Thank you for all the hard work and love that you invest in our future!

Juan F Alvarez
Program Director
