Attend a boot camp offered by the Math department. This boot camp will be a 6 week 21 hour program (3.5 hours on Fridays from 9:30 am to 1:00 pm in Franklin Hall 106) starting Friday, April 14th, 2017 through Friday, May 19th. This boot camp will enhance your chances of being placed 1-2 levels higher for a math course above your present level if you are currently pre-math 125.

If you have questions regarding the program, please email Professor Kian Kaviani at kaviank@lacitycollege.edu or 323-953-4000 ext. 2811. If you are interested in participating in the boot camp please complete this survey
