

November, 2010

Dear Members of the Los Angeles City College Community,

As the fall semester draws to a close, and we prepare for the holiday season, I want to take this opportunity to thank the students, faculty and staff of the institution. This past year has been very productive and as we close out 2010, I am so proud of what we have accomplished. Here is a sample of some of those accomplishments.

- Reaffirmation of the college's accreditation
- Through our shared governance process we were able to balance a \$7.5 million deficit
- Commencement Keynote by the Secretary of Labor, Hilda Solis
- Number one ranked Math team
- Re-achieved our status as an Hispanic Serving Institution
- Awarded a Title V Grant of over \$4 million over a five year period
- Awarded the Goldman Sachs 10,000 Small Businesses Grant
- Hosted U.S. Attorney General and Secretary of Health and Human Services
- Dental Tech Graduates ranked number one in the nation
- LACC Foundation Raised over \$400,000 in scholarship funds with the 80th Anniversary celebration Gala

I have no doubt that spring will be just as exciting. I invite you to check out the College's website: www.lacitycollege.edu for all upcoming events. I am happy to announce that the college will be holding a Winter session, scheduled to begin January 3, 2011.

I would like to say a special thank you to our students. Thank you for your loyalty and commitment to the institution. While we have encountered budgetary challenges that reduced course offerings and many changes in the implementation of our bond program you have remained with us through all the changes, limited resources, and tough decisions. Please note that the students of LACC are our number one priority and on behalf of the faculty, staff, and administration we commend you.

As we get ready to celebrate Thanksgiving I would like to share with you that I am thankful for the many blessings and accomplishments we all enjoy as a part of the LACC community. Thank you for all that you do to support the excellence of the college. As the president of Los Angeles City College, I commit to you that I will continue to work hard and in the best interest of the institution to sustain quality educational programs.

Sincerely,
Jamillah Moore, Ed. D.
President
