Personal Safety Tips

Preventing Crimes Against Persons:

Situational Awareness

Use the "Buddy System"

Walk with purpose

Do not wear flashy jewelry

Never be afraid to scream

If able, park close to you destination – park in a well-lit area

Walk with your keys in hand

Use a well-lit path during darkness (avoid alcoves, isolated areas, unlit pathways).

Preventing Crimes Against Property:

Lock all your doors when leaving for the day, especially if you are the last one leaving the building.

Keep a list of serial numbers

Keep valuables out of sight

Do not carry large sums of money

Park in well-lit areas (if parking before dusk be conscientious about lighting if you'll exit at dark)

Never leave property unattended
