### **About Los Angeles City College**

Established in 1929, Los Angeles City College is one of the oldest of the California Community Colleges. Located in the heart of Hollywood, LACC provides a dynamic innovative learning environment offering more than 100 vocational and professional programs including degrees, transfer programs and certificates to more than 18,000 students. In the past decade, a total of 6,651 students have transferred to four-year colleges and universities, including 4,040 students attending Cal State universities and 1,086 students transferring to UC campuses. Los Angeles City College is home to one of the most vibrant and diverse campuses in the country. The campus provides a wide range of professional and vocational programs at a fraction of the cost of state and private colleges. LACC provides students and adult learners vital pathways to more advanced education and enhanced employment. In 2019, LACC celebrated its 90th anniversary.
