### ABOUT

The **Psychology Department** gives students the foundation to obtain a bachelor's degree from the best universities in the nation and guaranteed transfer as a Psychology major in the Cal State system. The Human Services curriculum, offered by the Department of Psychology, is a lower-division two-year course of study designed to train a student in one of two options: **Human Services Generalist** or **Addiction Studies**. The curriculum also serves as an introduction to the helping professions for students planning four-year college degrees in Psychology, Human Services, Behavioral Science, Rehabilitation Counseling, Social Work, Health Science, Alcohol and Substance Abuse, and other majors.

### PSI BETA

Psi Beta is the national honor society in psychology for community and junior colleges. It is the first two-year college honor society approved for membership in the Association of College Honor Societies, which regulates membership requirements.

### INTERNSHIPS

The LACC Psychology department places students in internships at over one hundred community based organizations that provide real work experience in a human services career.

### FOREVER JUNG PSYCHOLOGY CLUB

The award-winning Forever Jung Psychology Club promotes leadership, and friendship, and is a place of belonging for students within the Psychology Department.
