Course work done outside of LACC

- Check our TES database which contains over 6,000 equivalencies with our corresponding LACC courses.
- If a course is listed as equivalent to ours, the Nursing department will typically accept it. However, you can check with the nursing counselor to verify. [View LACC Courses & Equivalencies](#)
- For courses not listed in our TES database, submit a course substitution petition online. Choose the dropdown box “Pre-Nursing Admissions.” A copy of the results will be provided to the prospective student, Counseling department and Nursing department. [Submit a Course Substitution Petition](#)
- Questions about if your courses will count? Email thammap@lacitycollege.edu

Course work done outside the US

Transcripts from other countries

- If you think you completed your pre-reqs using any courses done at a university/college outside of the US, you will need to get your transcripts evaluated by an approve agency. You must get a detailed, course-by-course evaluation. List of agencies [HERE](#)
- If your highest degree earned is a high school or college degree from outside of the country (and you aren't using any courses to meet a pre-req) you just need a basic evaluation

Cut Score Selection Model

- In order to be eligible for admissions and subsequent lottery, must achieve a cut score of 80%
 - Core science GPA
 - Core science repetitions
 - English GPA
 - Overall college GPA

Application

- Make sure you already have an application to a LA City College (or LACCD school) with a student ID number before you submit an application
- If the application is online this term, make sure you answer the questions truthfully and send/upload all required documents
- Copy of your Social Security (or ITIN) Card, Drivers License or CA ID, and a student ID card (if you have one. If you don't have the card, that's OK)
- Upload a copy of your highest degree earned. If a college degree, they need to be posted on your transcript
- If you are using an AP score to meet a pre-req, you will need to upload a Collegeboard transcript as well
- Upload unofficial college transcripts from EVERY college attended, even within LACC and the LACCD district
- Send official TEAS scores to LACC Nursing before the end of the filing period
- Send official college transcripts to Admission and Records

After you Submit...

- All applicants that have submitted a complete application and have at least a 80% cut score will move forward
- Eligible applicants without a TEAS score will be invited to take the exam (students will be chosen for the TEAS on a first-come-first-serve basis). If you want to take the TEAS with LACC, you MUST submit your application within the first two weeks of the filing period
- If you take the TEAS and do not achieve 62%, you must remediate with the institution you took it at in order to apply to LACC. Every section of the TEAS must be 62% after remediation.
- All eligible students with at least a 62% TEAS score will move forward. If we have more eligible applicants than spaces, students will be chosen via lottery
- If not chosen, you will be added onto the alternate list. Ranking of alternates are also done via lottery
- We will communicate with applicants via email

TEAS

- Test of Essential Academic Skills (Atitesting.com)
